# From the East

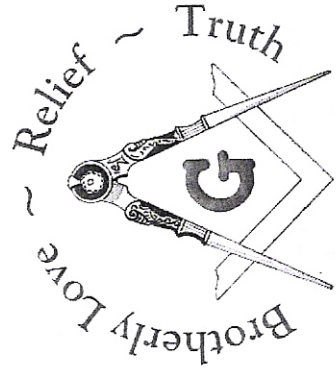

Brethren,

As you may well already know, in early January, the Lodge had a frozen water line break and sustained substantial damage. Our Trustees immediately reacted and worked with the insurance company through the necessary repairs. I am happy to announce that these repairs are almost complete, and we will be back in the Blue Room soon. I want to thank all the brothers that sent the generous donations. Your help more than covered the insurance deductible. Thank you!

The next few months will be busy, with the upcoming Memorial Day breakfast, the Fried Chicken Dinner, and degree work. Keep watch in your mailbox and the Call-Leader for information on these upcoming event.

Take Care and God Bless,  
Eric Reese WM
