From the East

Brethren,

Wow. What a great start to the year. We've already raised 1 Brother, [REDACTED], to the sublime degree of a Master Mason. We had 33 Brothers from 12 different Lodges present for that degree, and had some great work done.

We also have another Master Mason degree scheduled for [REDACTED] on March 30th. We are in the process of investigating a new petitioner and we have had an inquiry by a Brother who wants to transfer to our Lodge.

We have a fundraiser dinner coming up in April. You should have seen a letter from me with tickets included. I hope you plan to attend and will spread the word. Feel free to copy and hang up the enclosed flyer wherever can.

Also, be sure to mark the calendar that day to be able to HELP with the dinner. I know that the committee will be contacting brothers soon to sign-up to help serve that night. We are looking at 2 ½ hour shifts. That's not too long to help the Lodge and help keep down your yearly dues.

I really want to encourage everyone to attend stated meetings whenever possible. The Masonic Education committee is working hard to get presentations ready, some of them using the new projector. I'm also working on scheduling presenters from other Masonic affiliated associations (Grotto, Shriners, York Rite, etc.) during upcoming stated meetings. I know I would like to know more about these organizations.

Finally, I want to give you an update on the family activity nights we had during the first quarter. We had some limited participation in these, but unfortunately, I'm not sure it was enough to continue on a monthly basis. We do have our annual Lodge picnic scheduled for July 24, and I will keep working on scheduling other activities where our families are invited to participate.

I hope everyone has a great spring, and remember – 'Look to the East'

Barry Clouser

Worshipful Master

Things to Know

- Reminder that the Lodge voted to extend stated meetings into the summer months (July and August). No more dark months.
- We purchased a new digital projector for Lodge use. The Masonic Education committee has some great ideas for presentations using the new projector. We also hope to receive new presentation files from Grand Lodge for the degree lectures.
- I would like to thank a Brother and his wife (they know who they are) for donating a big screen TV to the Lodge. It was very nice for our Movie night and the NCAA night.
- All Entered Apprentices and Fellowcrafts are now able to attend stated meetings. Please come and participate in your Lodge while working toward being raised.
- If you would like to be on an email distribution list from me, please send a note to barry.clouser@alumni.indiana.edu asking to be added.
- Remember to check the website at www.quincylodge230.org for more up-to-date information and communications.
