From the East

Brethren,

Hard to believe it's already summer. I know that right now, everyone's attention turns to kids' activities, vacations, and enjoying the outdoors. I just urge everyone to remember Lodge activities as well.

As I stated in the last newsletter, we will continue having stated meetings through the months of July and August. This is to allow a little more continuity through the summer and to allow those who might be busier in the other months the opportunity to attend when some activities might be on hiatus. Also remember we are trying to schedule Masonic Education during these meetings – on July 6th, we will have 2 presentations, including information on the Indiana Masonic Home.

We will be having our annual Lodge Picnic on Saturday, July 24th. We will be meeting at Callaway Park at 5:00 for a cookout. The Lodge will be providing hamburgers and hot dogs. You should bring a side dish, eating utensils and drinks. We will have the Lodge banner on display where we will be meeting.

As in past years, the Craft Club will be running a food booth during the Glass Festival in August. You should be receiving phone calls asking you to server a shift or two during that weekend. All profits go back to the Craft Club.

We will be having our 3rd Annual Fish Fry on Saturday, October 2nd. We're establishing a reputation as a group that can provide good food at a reasonable price. Start spreading the word now. The more people we serve, the more money we make. You will see tickets and flyers come later this summer.

Finally, for those who have time, we could really use some help mowing the Lodge property. We have a couple of guys who have been working diligently to keep the grounds looking nice, but more hands make for lighter work. Even if it's only 1 time for a few hours, anyone who can help should contact me or one of the Trustees to volunteer some time.

I hope to see each of you soon. Have a safe and fun summer.

Things to Know

- Reminder that the Lodge voted to extend stated meetings into the summer months (July and August). No more dark months.
- We used the new projector for the first time at a EA Degree on May 29. We were able to show the Lecture Slides and a video thanking our military brothers for their service.
- Remember that we need help in several areas – mowing / grounds upkeep, the food booth at the Glass Festival, and helping during fundraiser dinners. Please be ready to help when asked.
- All Entered Apprentices and Fellowcrafts are now able to attend stated meetings. Please come and participate in your Lodge while working toward being raised.
- If you would like to be on an email distribution list from me, please send a note to barry.clouser@alumni.indiana.edu asking to be added.
- Remember to check the website at www.quincylodge230.org for more up-to-date information and communications.
