

Right Worshipful Brother Grand Senior Warden mentors Quincy Lodge

Brethren, Over the last several month, Right Worshipful Brother Grand Senior Warden Carey Carter has been mentoring Quincy Lodge in the efforts to continue to grow the lodge and it's membership and pass along guidance to help the lodge continue to come together in brotherhood and friendship.

As bro. Carey continues in succession in the Grand Officer line, we like to thank him for all of his hard work, travel and efforts in helping Quincy Lodge and its membership move forward thru its challenges and achievements. Although improvements are slow to show, we will continue to keep freemasonry alive and well in our small community.

Bro. Denton True "Cy" Young American Major League Baseball pitcher

Denton True "Cy" Young (March 29, 1867 – November 4, 1955) was an American Major League Baseball pitcher. During his 21-year baseball career (1890–1911), he pitched for five different teams. Young established numerous pitching records, some of which have stood for a century. Young compiled 511 wins, which is most in Major League history and 94 ahead of Walter John-

son who is second on the list. Young was elected to the National Baseball Hall of Fame in 1937.

Young's career started in 1890 with the Cleveland Spiders. After eight years with the Spiders, Young was moved to St. Louis in 1899. After two years there, Young jumped to the newly created American League, joining the Boston franchise. He was traded back to Cleveland in 1909, before spending the final two months of his career with the Boston Rustlers. After his retirement, Young went back to his farm in Ohio, where he stayed until his death at age 88 in 1955.

Tidings from the East

Greetings Brethren,

My sincere apologies for this being the first newsletter of the year.

We have a lot of ideas to make our Lodge better. We are working on a program that will actually make the stated meetings more enjoyable and quicker! The initial planning for our fundraiser is underway, so be on the lookout for more details to come. Once a month, we will be having a ritual review. During this time, any questions that a brother has about the official ritual will be answered. This is an awesome opportunity for all brethren to come for fellowship and to learn a new part or to "dust off the cobwebs."

However, these projects and more cannot be done without YOU. Feel free to come to a stated meeting. You have a voice, a vote, and most importantly; You Are Our Brother. You are a member of the greatest Fraternity in the world. Always remember that moment in your life when you were raised to The Sublime Degree of a Master Mason. Carry that pride with you every single day of your life. And be with the rest of us while we support, continue, and improve OUR Quincy Lodge #230. With Brotherly Love and Friendship,
Scot Reese W.M.

See you in Lodge.

Faternally,

Scot Reese
Worshipful Master

Ritual Review

Brethren,

Each month, Quincy Lodge will be holding Ritual Review sessions to help pass along the knowledge of the Ritual and Degree work to anyone who is looking to expand their degree and lecture knowledge. As years pass, brethren take with them the years and experience of the ritual; and now, we are making an strong effort to pass this knowledge to our newest members.

We hope you can make it out to a session and learn a new part, or share knowledge of the parts you know. Also, by picking up a new lecture, or degree part, you may be qualified as a Ritualist, Senior Ritualist or Master Ritualist by the Grand Lodge as part of their Ritualist Program. Dates and times will be shared in the local Newspaper.

Glass Festival

Brethren,

Once again, the Elwood Glass Festival is just around the corner and once again, we will get an opportunity to feature the Lodge Concession Trailer. We will be in contact with many of the brethren to help volunteer a shift working the trailer.

We hope you can spare some valuable time for our fundraising efforts. Our projects cannot work without your help.

Isn't it a beauty!
