From the East

Brethren,

Suddenly, I find myself writing my last newsletter as Master this year. Even though I have 3 more months in my term, the next newsletter will come from next year's Master.

Looking forward to the end of the year, we still have several things coming up. First, if you get this newsletter before October 2nd, don't forget the 3rd Annual Fish and Tenderloin Dinner. Come out, have some good food, see some Brothers you haven't seen in a while, and help raise money for your Lodge.

We have a couple of petitioners in the pipe right now. I expect them to be voted in at the October stated meeting and have tentatively scheduled an EA Degree for them on November 9th. We always look for Brothers to attend these degrees.

Finally, we have our annual Holiday Dinner coming up on Saturday, December 11th. We plan to eat at 5:30 pm and then will be entertained by *Brass Works* from Tipton. We will also honor some of our Brothers with service awards. We may even have a visit from a certain Saint dressed in red.

Lastly, I want to let everyone know of a need that we have identified for the Lodge. We have been investing in newer mowing equipment to help keep the grounds, but we see a need for an outbuilding to store this equipment in. We have set a goal of \$2500 to purchase materials, which we would use to build the building ourselves. You will be seeing a letter coming from me in October with more information, but please start thinking now if there is some amount of money you can donate toward this project.

I want to thank everyone who has helped me through this year as Master. There have been ups and downs, fun times and challenging times, but through it all, several of my Brothers have pitched in to help make this a successful term for me.

Sincerely,

Barry Clouser
