Memorial Walkway

Engraved Brick Paver Program

Masons come from all walks of life. They are our neighbors, community leaders, school officials, friends and family.

For over 150 years, many just and upright men from our community have walked through the doors of Quincy Masonic Lodge, inspiring them with that feeling of charity, or good will, toward all mankind and improve the Elwood community that the lodge serves through practicing the art of Freemasonry.

We invite you to participate in the Quincy Masonic Lodge Memorial Walkway brick paver fundraiser. Each of the named bricks permanently placed in the Memorial Walkway, reflects a sense remembrance and community spirit. You can become a part of this legacy by having your name, the name of a loved one or organization, engraved on a commemorative brick and added to the walkway creating a lasting memorial.

Engraved bricks can be ordered by friends and family of active and past brethren of Quincy Masonic Lodge, business, civic organizations, and members of the general public. All proceeds go to Quincy Masonic Lodge to be used to further support the Elwood community through various local charities.
